

## Counting Stars OneRepublic

Lately, I've been, I've been losing sleep      Dreaming about the things that we could be  
But baby, I've been, I've been praying hard,      Said no more counting dollars  
We'll be counting stars, yeah we'll be counting stars

I see this life like a swinging vine      Swing my heart across the line  
And my face is flashing signs      Seek it out and you shall find  
Old, but I'm not that old      Young, but I'm not that bold  
I don't think the world is sold      I'm just doing what we're told

I... feel something so right      Doing the wrong thing  
I... feel something so wrong      Doing the right thing  
I could lie, could lie, could lie      Everything that kills me makes me feel alive

Lately, I've been, I've been losing sleep      Dreaming about the things that we could be  
But baby, I've been, I've been praying hard,      Said no more counting dollars  
We'll be counting stars

Lately, I've been, I've been losing sleep      Dreaming about the things that we could be  
But baby, I've been, I've been praying hard,      Said no more counting dollars  
We'll be, we'll be counting stars

I feel the love and I feel it burn      Down this river, every turn  
Hope is a four-letter word      Make that money, watch it burn  
Old, but I'm not that old      Young, but I'm not that bold  
I don't think the world is sold      I'm just doing what we're told  
I... feel something so wrong      Doing the right thing  
I could lie, could lie, could lie      Everything that downs me makes me wanna fly

Lately, I've been, I've been losing sleep      Dreaming about the things that we could be  
But baby, I've been, I've been praying hard,      Said no more counting dollars  
We'll be counting stars

Lately, I've been, I've been losing sleep      Dreaming about the things that we could be  
But baby, I've been, I've been praying hard,      Said, no more counting dollars  
We'll be, we'll be counting stars

Take that money      Watch it burn      Sink in the river  
The lessons I've learned

Take that money      Watch it burn      Sink in the river  
The lessons I've learned

Take that money      Watch it burn      Sink in the river  
The lessons I've learned

Take that money                      Watch it burn                      Sink in the river  
The lessons I've learned
